

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF MECHANICAL ENGINEERING

Date: 07/02/2018

Name of Event: Departmental Paper presentation.

Date of Event: 06/02/2018.

Resource Person: Mechanical Department.

Objectives:

1. To encourage students to encourage to improve their presentation skills.
2. To motivate students to learn advanced topics related to field of mechanical engineering.

Outcomes:

In this event of departmental paper presentation many students participated and tried their best for presenting the paper. Students have prepared Power Point presentation along with the report on selected topic. The event was inaugurated in Presence of Head of the Department Prof. S. S. Raut. While preparing and presenting the paper student learnt how to prepare a report and presentation with PPT.

Participant: TYME Students
