

REPORT ON EXPERT LECTURE

Title : “Design Concept And Solid Modeling”

Date : 26/ 12 /2020

Resource Person : Mr.Dipak Wagh, Design Engineer, Magana, Pune

Participants : Students of Third Year Mechanical Engineering

Objectives:

1. To understand the various Concept of Industrial Design
2. To study modern Solid Modelling Software's .

Outcomes : In this expert talk, had a brief discussion about the concept of industrial design and various solid modelling software's.
