

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF MECHANICAL ENGINEERING

Date: 31/03/2022

Name of Event: Industrial Visit to “*NARANG COLD STORAGE PVT LTD, NASHIK*”

Date of Event: 30/03/2022

Resource Person: Mr. SANJEEV NARANG , General Manager.

Objectives:

1. To understand the Working of Refrigeration system .
2. To understand the process of Vapour Compression Cycle in Refrigeration & Air conditioning system.

Outcomes:

“*NARANG COLD STORAGE PVT LTD,NASHIK*” is one of the oldest ice manufacturing industry & storage under cooling products as per the demand of customer from 1965 .Industrial visit is organized to understand the Refrigeration & Air Conditioning & which operation are perform in vapour compression cycle in that Ammonia(NH₃) as Referigerant .Students are also understand how the working of Compressor, Condenser ,Expansion Device, Evaporator etc.

Participant: TYME Students
