

SANDIP FOUNDATION'S

SANDIP POLYTECHNIC, NASHIK

DEPARTMENT OF APPLIED SCIENCES

REPORT ON EXPERT LECTURE

Title : Personality Development
Date : 19th July 2022
Resource Person : Dr. Vishal N. Sulakhe
Participants : First year Foundation Course Students
Objectives :

- 1) Enhance confidence level
- 2) Get training in forms of modules such as grooming, interview skills, group discussion, mock interview, verbal, non-verbal communication.
- 3) Learn techniques to manage Stress
- 4) To learn time-management techniques

Outcomes :

This is a very fruitful seminar to enhance employability skills of our students. The seminar gave extra support to the students to do well in their interviews. This is very significant to clear any internship ,interview, group discussion, HR round etc .The seminar has helped our students to think in a positive way, dress sensibly, be soft-spoken, Leave your ego behind, avoid backbiting, help others, develop confidence level. The seminar also helped student to become a patient listener.
