

**Faculty Name:** M. C. Sonawane

**Designation:** Lecturer

**Mail ID:** mohini.sonawane@sandippolytechnic.org

## **BIO**

**Prof M. C. Sonawane** is a Lecturer in the Electrical Engineering department of SP, Nasik, India. She got his Bachelor in Electrical Engineering. Her research interest is in DC Motors and transformers. This includes knowledge graphs and its applications. Her research has been disseminated in several internationally reputed journals and conferences. She has supervised many masters' students and served as reviewer for many reputed journals. My peripheral interests lie in activities that include gardening, reading, and music.

## **Qualification:**

BE (Electrical Engineering)

## **Research Work:**

DC Machine and Transformer

## **Experience:**

Teaching experience: 5 years

## **Subjects:**

Electrical and Electronics measurements, Industrial Measurement, Elements of Electrical Engineering, Utilization of Electrical Engineering, DC Motor and Transformer.
