

**Faculty Name: Prof. Sayali G.Bodke**

Designation: Lecturer

Mail ID: [sayali.bodke@sandippolytechnic.org](mailto:sayali.bodke@sandippolytechnic.org)

### **BIO**

**Prof. Sayali G.Bodke** Lecturer in the **Computer Engineering department** of Sandip Polytechnic, Nasik, India. She got her Masters in Computer Engineering with distinction. Her research work includes Networking, Energy Efficient Clustering Algorithm. Also she would like to do research in Data Science, IOT and Networking. Her peripheral interest is in reading books, travelling etc.

### **Qualification:**

1. B.E. (Computer Engineering)
2. M.E.(Computer Engineering)

### **Paper Publications details:**

1. International Journal : 3
2. International Conference : 2

### **Area Research Work:**

1. Networking

**Experience:**

1. Teaching experience : 08 Years

**Subjects:**

1. Software Testing
2. Software Engineering
3. Computer Hardware & Maintenances
4. Web Page Designing using PHP
5. Information Communication and Technology
6. Object Oriented Programming Using C++
7. Computer Graphics
8. Entrepreneurship Development
9. Programming In C
