

**Faculty Name: Prof. Sonali. V. Nimbalkar**

Designation: Lecturer

Mail ID: [sonali.nimbalkar@sandippolytechnic.org](mailto:sonali.nimbalkar@sandippolytechnic.org)

Contact No: 7263031179

### **BIO**

**Prof. Sonali V.Nimbalkar** is Lecturer in the **Information Technology Department** of Sandip Polytechnic, Nasik, India. She got her Masters in Computer Science and Engineering with distinction. Her research work includes transferring data securely over internet by using different cryptography algorithm. Also she would like to do research in Data Mining, Machine Learning, Data Science, IOT and Networking & Cryptography. Her peripheral interest is in Listening Music, Singing ,Drama, reading books, travelling etc.

### **Qualification:**

1. B.E. (Information Technology)
2. M.E.(Computer Engineering)

### **Paper Publications details:**

1. International Journal: 2
2. International Conference: 2

### **Area Research Work:**

1. Data Mining

**Experience:**

1. Teaching experience : 03 Years
2. Industrial Experience:-03 Years

**Subjects:**

1. Data structures
2. Advanced Data Structures
3. Object Oriented Programming
4. Java Programming
5. Website Designing
6. Data Mining and Data Warehouse
7. Fundamental of Programming language
8. Digital Technique and Microprocessor
