

**SANDIP FOUNDATION'S**  
**SANDIP POLYTECHNIC, NASHIK**  
**DEPARTMENT OF ELECTRICAL ENGINEERING**  
**Academic year- 2023-24**

Date: 03<sup>rd</sup> October, 2023

**Name of Event:- Expert Lecture on “Recent Trends in Solar power PV Technology”**

**Date of Event: - 03<sup>rd</sup> October, 2023**

**Resource Person: - Mr.S.D.Jadhav, Master Trainer MITCON, Nashik**

**Venue: - Sandip Polytechnic, Nashik**

**Objectives:-**

Its main objective is to aware about “**Recent Trends in Solar power PV Technology**”

**Outcomes:-**

- 1) Student should acknowledge about various upcoming technologies in the field of Solar Power Generation.
- 2) Student should understand new opportunities in solar power.
- 3) Students should know the various components used in solar with their function.
- 4) Students should understand the how to build carrier in Solar Power Generation.

**SYEE & TYEE Students:-**

## Vision and Mission of Electrical Engineering Department

### Vision

To develop professionally skilled electrical engineers to fulfill the needs of industry and society at large.

### Mission

**M1:** To offer quality technical education through student's centric teaching learning methods to enhance technical knowledge, skills and positive attitude.

**M2:** To provide a learning center for entrepreneurship, employability and higher education.

**M3:** To develop interpersonal skills for professional growth.
