

**Expert Talk**

**Name of Event** : Expert Talk on “ROAD SAFETY”.

**Date of Event** : 09/08/2023

**Resource Person** : Er. Swapnil Wakale, RTO INSPECTOR.

**Objectives:**

- To understand the importance of Road Safety.
- To understand the rules & regulation of Road Safety.

**Outcomes:**

An expert talk had been organized for the students of the Mechanical Engineering Department. Expert Swapnil Wakale sir taught the importance of Road safety, their rules, and how to take precautions like: Always wear a seatbelt; Avoid distractions; Do not cross the speed limits; Service your car regularly; Follow traffic signals; Maintain lane discipline; and be careful during bad weather. And also discuss what happens if you do not follow the rules. 1. Our carelessness on the road causes accidents and deaths. 2. The safety rules help us prevent road accidents and deaths. 3. We should never run while crossing the road. 4. It is necessary to wear a helmet while riding a two-wheeled vehicle.

**Participants-** SYME and TYME Mechanical Engineering Students.
