Name of the event: A Field Visit to Adhartirth Ashram (an orphanage)

Date: 12/03/2024

Objectives:

- To cultivate empathy and compassion towards underprivileged children.
- To understand the importance of social responsibility and community engagement.
- To reflect on personal values and their significance in contributing to the welfare of society.
- To explore ways in which human values can be applied in real-life situations.

Outcomes:

- Through their interactions with the children, the students not only cultivated empathy and compassion but also gained a deeper understanding of their own values and their role in contributing to the welfare of society.
- The visit served as a catalyst for personal growth and social awareness, inspiring the students to become proactive agents of positive change in their communities.

Beneficiary:

Total participants-100 students
