

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF ELECTRICAL ENGINEERING
Academic year- 2023-24

Date: 14th August, 2023

Name of Event:-Expert Lecture on “Opportunities & Prospects in Space Technology”

Date of Event:- 14th August, 2023

Resource Person:- Er. Mrs. Apurva Jakhadi (NASA-Honeywell Space Educator & ISRO Space Tutor)

Venue: - Sandip Polytechnic, Nashik

Objectives:-

Its main objective is to aware about “**Space Technology**”

Outcomes:-

- 1) Students should understand the opportunities in Space Technology.
- 2) Students should understand various prospects of Space technology.
- 3) Students get knowledge about career in space technology.
- 4) Students should aware about the recent technology used in NASA and ISRO about satellite.

SYEE and TYEE Students:-

Vision and Mission of Electrical Engineering Department

VISION

To develop professionally skilled electrical engineers to fulfill the needs of industry and society at large.

MISSION

M1: To offer quality technical education through student's centric teaching learning methods to enhance technical knowledge, skills and positive attitude.

M2: To provide a learning center for entrepreneurship, employability and higher education.

M3: To develop interpersonal skills for professional growth.
