GUEST LECTURE ON FINANCIAL LITERACY

Title : Financial Literacy
Date : 13th April 2024
Participants : First year diploma engineering students
Resource Person- Prof.Sarvesh Zavar (C.A.)

Objectives of the session:

1. The objective of conducting this expert talk is to provide knowledge about mutual funds
2. Enlightening students about the different mutual fund schemes available for early early beginners.
3. To provide an insight on the benefits of early investment on mutual funds to reap benefits

Outcome of the session:

The objective of the session was achieved because at the end of the session students were motivated to develop the habit of savings and investments in mutual funds and also learnt how to choose best mutual fund schemes budget and stabilise themselves in order to make them financially secure.

Importance :

Financial literacy is, in other words, the capacity to manage your finances in the best manner. That is, through optimum use of the available financial products and resources to get yourself maximum benefit. It is about knowing how to generate, spend, invest and save money.

Financial education is crucial for individuals to make informed decisions about their money and achieve their financial goals.
