

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF ELECTRICAL ENGINEERING
Academic year- 2023-24

Date: 03rd October, 2023

Name of Event:-Expert Lecture on“Recent Trends in Solar power PV Technology”

Date of Event: -03rd October, 2023

Resource Person: -Mr.Nityanand Tiwari, Master Trainer MITCON, Nashik

Venue: -Sandip Polytechnic, Nashik

Objectives:-

Its main objective is to aware about **“Recent Trends in Solar power PV Technology”**

Outcomes:-

- 1) Student should acknowledge about various upcoming technologies in the field of Solar Power Generation.
- 2) Student should understand new opportunities in solar power.
- 3) Students should know the various components used in solar with their function.
- 4) Students should understand the how to build carrier in Solar Power Generation.

SYEE & TYEE Students:-

Vision and Mission of Electrical Engineering Department

Vision

To develop professionally skilled electrical engineers to fulfill the needs of industry and society at large.

Mission

M1: To offer quality technical education through student's centric teaching learning methods to enhance technical knowledge, skills and positive attitude.

M2: To provide a learning center for entrepreneurship, employability and higher education.

M3: To develop interpersonal skills for professional growth.
