

SANDIP FOUNDATION'S
SANDIP POLYTECHNIC, NASHIK
DEPARTMENT OF MECHANICAL ENGINEERING
Academic year- 2023-24

Date: 16/03/2024

Name of Event: TakeFeast 2K24 - State Level Competitions

Date of Event: 16/03/2024

Resource Person: Not specified.

Venue: Mechanical Department, Sandip Polytechnic, Nashik

Objectives:

- To organize a state-level event, TakeFeast 2K24, featuring various competitions for students from across Maharashtra.
- To provide a platform for students to showcase their talents and skills in digital poster design, quiz, paper presentation, project development, and gaming.
- To encourage participation and healthy competition among students from different districts.
- To recognize and reward outstanding performances with exciting prizes, certificates, and trophies.

Outcomes:

- 1) Over 1000 students from nearly 10 districts actively participated in the competitions, showcasing their creativity, knowledge, and gaming skills.
- 2) Competitions such as digital poster design, quiz, paper presentation, and project development witnessed enthusiastic participation and high-quality submissions.
- 3) Winners were awarded exciting prizes, certificates, and trophies, motivating them to excel further in their academic and extracurricular pursuits.

Students: Participants from various districts
