Department of Civil Engineering

Date :- 24.01.2025

Name of College: Sandip Polytechnic, Nashik.

Name of Department: Civil Engineering.

Date of visit: 23.01.2025

Visit under Subject: Railway, Bridge & Tunnel Engineering

Location of visit: Nashik Road Railway Station, Nashik

Objectives:

1. To study the components of railway track.
2. To maintain practices to ensure the safety and efficiency of the railway system.
3. To understand the role of rail transport for nation, including integration with other modes of transport.

Outcomes:

1. Understand permanent way components and technicalities of rails.
2. Construction & maintenance of railway track.
3. Students learn about the purposes and facilities at railway stations.
4. How railway system is functioning.

Vision: To produce professional skilled civil engineers to face the challenges in the engineering field and pursue higher education.

Mission M1: To provide quality infrastructure in the support of a conducive learning environment. **M2:** To inculcate the practices towards employability, entrepreneurship and higher education. **M3:** To develop a positive attitude, professional and social skills through lifelong learning.

Date: 21.01.2025

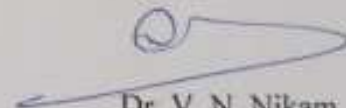

NOTICE

All the students of Second Year Civil Engineering are hereby informed that Industrial visit to **Nashik Road Railway Station** has been arranged on Thursday, 23rd January 2025.

The details are as follows:-

Date & Time	23 rd January 2025 10:00 a.m. to 01:30 p.m.
Location	Nashik Road Railway Station, Nashik

Prof. I. S. Sonar
Subject Teacher

Dr. V. N. Nikam
HOD

Vision: To produce professional skilled civil engineers to face the challenges in the engineering field and pursue higher education.

Mission M1: To provide quality infrastructure in the support of a conducive learning environment. **M2:** To inculcate the practices towards employability, entrepreneurship and higher education. **M3:** To develop a positive attitude, professional and social skills through lifelong learning.

Date: 23/01/2025

To,

Sectional Engineer,
Path Way,
Railway Station, Nashik.

Subject: Request Regarding Permission to Visit Nashik Road Railway Station.

Respected Sir,

Our institute is a very fast growing, world class infrastructural, AICTE; DTE approved Diploma Engineering Institute having more than 1500 students in Engineering and technology. We are having diploma in Civil Engineering.

In the Second Year of Civil Engineering course as a part of curriculum, a visit is to be arranged which will improve knowledge and understanding of the students. So we request you permit us to visit **Nashik Road Railway Station** along with our **76 students** and **2 staff members**. Hope so you will consider the same and inform us accordingly.

Thanking you.

Yours Truly,

Prof. Pankaj M. Dharmadhikari
Principal

Subject: Letter of Thanks

Respected Sir,

We are very grateful to you for sparing your precious time for us and sharing your valuable knowledge and experience with our Diploma Second Year Engineering students. We are confident and believe that it will be very beneficial as far as their carrier and future is concerned.

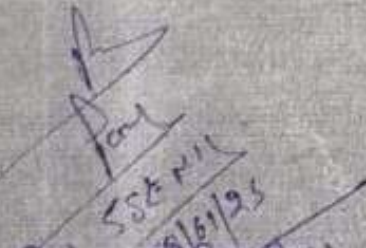

Once again on behalf of our students and Institute we are thankful to you with the hope that your guidance and cooperation will be available to us always.

Thanking You,

Prof. P. M. Dharmadhikari

Subject: Regarding bus requirement for Industrial visit.

Respected Sir,

With reference to above mentioned subject, we have arranged industrial visit for SYCE students under the course Railway, Bridge & Tunnel Engineering (314312). Details are as follow.

Date of Visit - 23.01.2025

Number of students- 76

Number of staff- 02

Number of Buses Required - 02

Time -10.00 a. m. to 01.30 p.m.

Contact Person- Prof. B. G. Abhale – 9604633967

Prof. I. S. Sonar – 9834447931

Email ID - isha.sonar@sandippolytechnic.org

Please provide buses for the same.

Thanking you.
